PRESIDENTS MESSAGE—Carol Whitton

The May meeting was amazing. We started off with a delicious tostada bar. Thank you to everyone who contributed to make it a success --- and, so yummy! We always learn something new whenever we are fortunate to have Janet Mitchell as our teacher. She taught a patriotic Terrye French design just in time for Memorial Day and the upcoming Fourth of July holidays. For our June 26th meeting, we will have a “standard” potluck. Each member who plans to eat should bring their favorite main dish, side dish, or dessert to share with the rest of the chapter. Jeannetta Cimo will teach another of her own designs for the evening – Watermelon Salt and Pepper Shakers. There are a limited number of projects available to paint. If you haven’t signed up, do so quickly so you won’t miss out!

Congratulations and thanks to all of our participants in the San Bernardino County Fair! We had several chapter members who submitted entries for the first time this year. I loved hearing how excited they were after seeing the ribbons on their projects! We need to keep this important means of sharing our craft alive. So, I’m challenging each of you to begin setting aside projects throughout this coming year to enter in the 2019 fair! Kudos go out to Marilyn, Jane, Rosanne, Becky, Catherine, and Diana for being there to receive projects, set-up the displays, and checking out projects – in sweltering heat, I might add.

Looking ahead, we have our Summer Seminar coming up at the end of August. I understand there are a few spots left on both days if you haven’t registered for this event. Check with Janet Mitchell or Beth Murena if you want to register. Also, remember that Marilyn is collecting ornaments for our Holiday Boutique raffle. She will need each member’s contribution no later than our July 24th meeting. This will give her plenty of time to take pictures and develop a flier so we may begin selling tickets.

Last, we are looking for a member-at-large who would be willing to work with Rosanne and Cathy on the Nominating Committee. They will begin compiling a new slate of officers for 2019 in September. We’d like to have the committee in place soon so that they may start work on this task when needed. Just contact me, if you are interested in serving.

Hope to see each of you at our June meeting. It should be a fun one!

See you soon!

Carol

We have another new member so remember to update your books! Welcome Joan Langdon to Desert Quail Tolerers

San Bernardino County Fair

Thank you everyone who entered our County Fair, the entries were exceptional. So many beautiful pieces.

In order to get the \$2.00 refund from the club, we are asking for you to please bring something to shows that you that entered the Fair.

Thank you again for the wonderful pieces that were entered.

Submitted by Nancy Schatz

I saw some very interesting pieces at the County Fair that had used lace as a background... which I thought was pretty unique and absolutely beautiful. Then when I was looking for an idea of what to write about for this month's Education article, I found an old article that gave some hints on "how to tole paint lace" and thought others might enjoy learning this very cool technique as well.

Things you will need:

Scrap piece of lace

Spray adhesive

Spray paint

Steps to follow:

Prepare the surface of the object that you plan to paint; clean off any dirt or dust and allow it to dry thoroughly before proceeding.

Spray an even coat of adhesive across the surface of the object. Place a piece of lace on top and press down firmly to ensure there are no gaps between the lace and the surface of your piece.

Spray a light, even coat of spray paint onto the lace. Use light, slow strokes and repeat the process until the lace appears to be thoroughly and evenly covered with paint.

Remove the lace immediately after painting it. Start from one corner and pull it up quickly as if ripping off a bandage. You will see the lace pattern revealed after the lace is lifted away.

Use this technique as a base and then continue on with whatever other images you want to paint on top of the lace background.

Holiday Raffle 2018

Marilyn Hinman

I know we just ended the holiday season but the Holiday Boutique and our accompanying Holiday Raffle will be here before we know it. First of all, thanks to those of you who have so graciously agreed to paint large items for our raffle. What we need now is for **every** member to set aside two or more Christmas ornaments to make up one item to be raffled. Several years ago one of our very popular items was a basket of over 100 hand painted ornaments and it was a prize that many wanted. I thought we could repeat that since there are not many people around who have the painting talent that you all have.

So, when you are painting ornaments between now and August, set aside at least two to bring to Judy Mountjoy, Donna Nelson or me, to be used for one of the raffle prizes. Ornaments you painted earlier are also fine. Yes, we need them by August so that the pictures can be taken of all the prizes as we ready them for sales.

Don't forget to bring your ornaments to the June meeting. I now have about 35 so we have quite a ways to go to reach our goal of 100 ornaments for the one prize. Thanks for your help. I know the winner of this prize will treasure your work and talent!
