## PRESIDENTS MESSAGE—Carol Whitton

Greetings DQT Members!

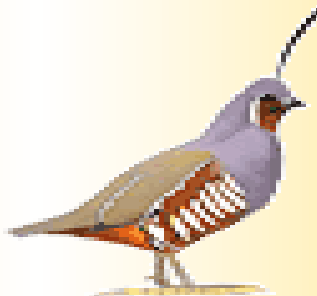

A special thank you is extended to Judy Craik who taught a wonderful project at our March meeting. She is such a patient and caring teacher. It looks like many of the painters had a finished project to take home with them as the evening closed. Love when that happens!

We have a unique meeting planned for April 24<sup>th</sup>. Each of our members is encouraged to bring a UFO (Unfinished Object/Project) to work on for the evening. As we have shared, it is our goal to increase the number of entries submitted to the upcoming San Bernardino County Fair. We are hoping that members will submit projects they work on during the meeting to the fair. Entry fees are only \$2 per project. DQT will reimburse members for the first project they submit. Entries must be submitted by April 13<sup>th</sup>. However, you don't need to finish your projects until April 29<sup>th</sup> or 30<sup>th</sup> when they are due to the fairgrounds between the hours of 3-7 pm. If we have any members who find it difficult to deliver their projects on their own, please contact me and arrangements will be made to have them picked up at your home and taken to the fairgrounds for you. At our Board meeting, we decided to have a BYOM (Bring Your Own Meal) in lieu of a potluck for the April meeting.

Have you registered for our upcoming Summer Seminar to be held on August 24<sup>th</sup> and 25<sup>th</sup>? Sandi Strecker will be our featured artist. She will teach a Christmas-themed project on Friday and a Halloween-themed project on Saturday. Participants may attend one or both days. A form may be found at [https://docs.wixstatic.com/ugd/06a82a\\_1a631ee8665f494789334e7a521fe1d8.pdf](https://docs.wixstatic.com/ugd/06a82a_1a631ee8665f494789334e7a521fe1d8.pdf) if you still need to register. Janet and Beth have worked hard to bring us another amazing event at a very affordable price for our members. Thank you! They do need volunteers to help. Please let one of them know if they are able to count on you.

Looking forward to seeing everyone at the April meeting.

Carol

What are the qualities of a good brush??? I've often pondered this question and found an article that definitely gives me some guidance and I hope does for you too!

Our favorite brush is usually a good quality brush that performs as we want it to and as it is designed to do. Inexpensive brushes while may not cost us a lot of money, many times give us more frustration and disappointment than a more costly, better brush. Some items to look for when you are shopping for a new brush include:

The brush should generally appear full and not skimpy.

The tip of the brush should not appear as it's been cut; the bristles should have natural ends that go together into a sharp point or straight edge.

The ferrule (metal that holds the bristles to the handle) is seamless and shiny. This indicates a good quality metal that will hold its shape and your bristles for a long time.

There are two crimps next to the handle part of the brush to hold the hairs firmly to the handle with no movement.

The handle is comfortable and well balanced with a good smooth finish.

There is information about the size and type of stroke the brush is designed to do printed on the handle.

If you look for these items when purchasing your brushes, those you buy will become your favorites, last for a long time and the resulting painting you do with them will make you happy and bring pride and joy!

Holiday Raffle 2018

Marilyn Hinman

I know we just ended the holiday season but the Holiday Boutique and our accompanying Holiday Raffle will be here before we know it. First of all, thanks to those of you who have so graciously agreed to paint large items for our raffle. What we need now is for **every** member to set aside two or more Christmas ornaments to make up one item to be raffled. Several years ago one of our very popular items was a basket of over 100 hand painted ornaments and it was a prize that many wanted. I thought we could repeat that since there are not many people around who have the painting talent that you all have.

So, when you are painting ornaments between now and August, set aside at least two to bring to Judy Mountjoy, Donna Nelson or me, to be used for one of the raffle prizes. Ornaments you painted earlier are also fine. Yes, we need them by August so that the pictures can be taken of all the prizes as we ready them for sales.

Thanks for your participation. If you have any questions, give me a call.

I am involved (as of just now thanks to a friend) with the Bundles of Hope workshop for Today's Woman. On Sat April 21st from 9a-12p we will be getting together to create gifts for local women recently diagnosed with cancer. I will be doing the gift box painting table and was hoping you could put out a blast to invite the chapter members to this event. Everything is there to do 'your thing' on the boxes. there will also be other stations to do things (sewing/stuffing dolls/pink ribbons/bracelet making. )

If you are interested in coming to this event please register at [www.bundles.eventbrite.com](http://www.bundles.eventbrite.com) so they know how many are coming

We can use all the help possible.
